### List of courses that cannot be taken as electives by students in Sustainable Innovation

**Disclaimer**
This list will be updated regularly, based on new insights, new courses and new course content of Bachelor College courses. The student should ascertain that study components in the study package do not have overlap in content. E.g. by checking the overlap tables of the programs offering the electives of choice. The examination committee will finally check your study package. In case you have questions regarding overlap, please contact Monique Jansen-Vullers (m.h.jansen-vullers@tue.nl).

#### Overlap with major courses Sustainable Innovation (all specializations)
