LOOKING FOR AN EXCITING BEP? JOIN THE TEAM.

Imagine the possibilities when the knowledge of students from different departments are combined with the great facilities in TU/e innovation Space.

INTERDISCIPLINARY TEAMS (3-6 persons)

REAL-WORLD CHALLENGES FROM COMPANIES, STUDENT TEAMS OR UNIVERSITY

COACHING BY iNNOVATION SPACE IN MATRIX BUILDING
Do you want to join the ISBEP?
Great! These are the steps:

#1. Indicate to your department’s BEP coordinator that you want to join ISBEP, and sign up. Your BEP coordinator will inform you how to apply. Keep in mind that the registration deadlines might be different than those for the standard courses and projects!

#2. Your BEP coordinator will let you know if you are selected for ISBEP.

#3. You will be invited for the project & group matching-session by TU/e innovation Space.

Thomas Bastiaansen about his experience

“An ISBEP that feels like science fiction, creating sensor ball swarm that will now travel through a pipeline loop, later perhaps even through blood veins...
... Working in a team with other students, whose personal project complemented mine, was truly a unique BEP experience!”

Thomas Bastiaansen
